

IH203NT Housing with TA200N Handset,
 NC200N Master Panel,
 and 2 PM200/20N Add-on Panels

IH203N, IH204N Housings

Description

IH200-series housings are desk cabinets for 3 to 6 TekTone[®] 4" wide aluminum panels. See chart for reference. IH200-series cabinets are constructed of laminate-covered wood with solid oak sides.

IH200NT-series housings also include a cradle and coiled phone cord for the TA200N Handset.

Specifications

Model #	Number of Panels	Height	Width	Depth
IH203N	3	4.25"	13.5"	11.75"
